

CARPET - POST INSTALLATION INSPECTION REQUEST FORM

Ref #

Note: Inspectors are third party and may appear in court at an additional cost. No member or employee of the NFCA will appear in court. It is the goal of the Association and this inspection process to assist users of the service in resolving issues and avoiding any such actions. Due to the visual only, and non-invasive nature of the inspection process, we do not guarantee that the cause of the problem will be identified or that a recommendation for action will be given.

This inspection service does not include or involve itself in laboratory testing.
